Enthusiastic

Creative

We are looking for an enthusiastic qualified Part II Architectural Assistant looking to progress with their Part III studies with excellent presentation skills to join our growing studio in central Leeds.

What you'll be doing:

- You will be an integral part of our team delivering projects throughout Yorkshire and across the UK
- Working across all RIBA stages on a variety of projects ranging from specialist residential schemes to large city centre mixed use and PRS developments.
- Developing 3d visualisations and conceptual models.

What we're looking for:

- A reliable and motivated individual who will commit themselves fully to the role
- Strong presentation skills and experience with Adobe Photoshop and In-Design is essential.
- Experience in Autodesk Revit, Lumion or other 3D visualisations software although not essential would be advantageous
- The ability to work individually and also within a team environment.

What we offer

- A proven track record of our students successfully passing their Part III including a dedicated mentor to assist with PEDR's
- Wide range of experience on a variety of projects at all RIBA stages to meet course requirements
- Early identification of suitable Case Study project.
- Payment of Part 3 exam fees
- Fantastic city centre studio with industry leading IT
- Opportunities for training and access to in-house and external CPD.
- Ability for agreed paid study leave
- A professional but relaxed office environment promoting personal development.

We are committed to supporting the next generation of architects and designers. If interested in this fantastic opportunity or would like to find out more then we'd love to hear from you. Please send your CV and work examples or any questions you may have to
